Yes, I'm a Latina through and through. Even though my blood runs hot, I can be both sweet and then turn on the passion as I check out your package. Yes, that means you gotta be hung to get into my pants. I have no need for small dicks. Just because I'm brunette doesn't mean I'm dull and boring. I'm quite the opposite.

It's hot in Brazil so let's get wet. Lets get down and dirty and then we'll get wet. It had been a week since I last fucked before today. I was horny and ready for whomever I was going to fuck. I don't wait for my man anymore. He's too busy, but he knows that you can't keep a sex-a-holic like me pent up for long.

Mi Fantasia Favorita

My brother's friend Ramon, is a hunky guy and I think about him a lot. I just turned twenty and my last boyfriend, all through high school, went to college and found himself another girl. For now, I can only dream about him, but any day now...

I've been told I have a really Latina tight ass. So I'll have to describe myself even more. I have dark brown hair and sexy (so I've also been told) brown eyes. I'm 5' 5" and slim and trim. I have perky 36C boobies and perfect quarter-size nipples. Anyway, there's this guy I've been lustng after for a full year. He's tall, dark hair, good looking with an athlete's body. He's a friend of my brother because they are on the same soccer team together. Whenever I saw him on the field, I would stare longingly until he was out of sight. My best friends teased me about it but I couldn't get him out of my head. I tried to imagine what kind of fuck he was. I have to find out, soon!

I imagine it would be passionate, aggressive, fulfilling. Our tongues would be jousting inside each other's mouths. I'd bite his lower lip and run my tongue across it. He would grab me and throw me against the wall. His hands would be all over me, big and strong; grabbing me all over; squeezing my boobs and slapping my ass. His hands would find their way under my shirt as he nibbled on my neck. I would be on fire at this point, wet and longing for him to touch my bare skin. I wouldn't be able to take it anymore. I'd rip his shirt off and kiss his neck. He'd follow suit and rip my shirt off.

Squeezing my boobs and my bra would come off next and he'd attack my nipples with his touch. Sucking and nibbling on them. I would be getting wetter, the desire was immense. My hand would rocket down to his jeans, his hard cock throbbing inside them. I'd grab his cock and rub it through his pants. Oh god I wanted it. It was so ready for me as hard as it was. He could tell how bad I wanted him and he wanted me just as much if not more. He would start rubbing my pussy through my jeans. He

would feel the heat emanating through them and his cock would get a little harder and I would squeeze it a little more. We would make eye contact and see nothing but lust. We would rip off each other's pants at the same time. And as we would stand there in our underwear, we could do nothing but lunge at each other. It was all grabbing and rubbing and kissing and biting. We needed each other more than anything else. Then he would throw me on his bed and rip off my panty.

He would slowly kiss me from a long, hot, lingering suck on my bottom lip; to my neck on the sweet spot that always gets me; to each nipple, sucking each one forward, causing a small moan to escape my lips; then down past my belly button, flicking his tongue inside it, to just above my clit on my shaved mound. He would smell my lusty, female scent

tongue. With that, he'd go for it and not stop until I came.

His tongue would slither into my pussy, past the folds of my lips, right onto my wet, hot, longing slit. I was screaming, moaning his name constantly under my breath with each pass of his tongue over my pussy. He was purposely avoiding my clit, making me wait for what I really wanted most. My hands were on the back of his head, pushing his tongue deeper inside me. My juices were flowing and that familiar feeling was just emerging inside of me. My moans were getting throatier and I knew he could tell he had me on the verge of a powerful orgasm. I was in ecstasy. My back was arched and my moans were continuous and deep. My hands were on his head and my fingers gripping his hair. My body shook as I came the hardest I ever had in my life. It took me about a minute before

the convulsions stopped and I slowly eased off the wave of pleasure that had rushed over my body. His eyes were locked onto mine and I saw how much my orgasm had turned him on. I wanted nothing more than to return the favor.

I lunged at him shoving my tongue inside his mouth. My fingers were running through his hair and I was grinding my wet pussy against his rock hard cock. I pushed him back against the pillows and slinked my way down and kissed him on the muscles that pointed me to what I really wanted. His cock sprung out at me.

and need every ounce of strength inside of him to not fuck me right there. He wanted to tease me and make me beg. And knew, as I did, that he was about to give me the fucking of my life.

He'd slowly kiss around my pussy. Sucking and nibbling on my labia. I would be moaning at this point, my pussy getting wetter with each passing moment. He knew how to tease me, he knew to avoid giving me what I wanted so I would beg. I tried to hold out but I didn't moan as loud as I really wanted to; I had to be resistant to him or he would have all the control. Then suddenly I'd feel his tongue slipping more and more closely to my clit. I couldn't take it anymore and I'd scream out for him to fuck me with his mouth and

It was a bit larger than normal and so hard it was throbbing. I grabbed his cock and felt the smoothness and hardness of it. I kissed the tip, which was a bit slippery with his precum. I knew how bad he wanted me and that alone was enough to make me cum again. But I had work to do. I started to kiss him all up and down his shaft. Running my lips against it and sometimes the tip of my tongue would graze it. I made my way back up to the tip. I sucked it into my mouth and at this point his hands made their way to the back of my head. His eyes were closed and his mouth slightly open. As I slowly sucked him, my tongue would slide across the bottom of his shaft. I heard

grunts of approval as I pushed his cock further down my throat. It was sliding in and out of my mouth fast and rough and it was becoming slicker. I felt his cock twitch and grow slightly; hardening from my tongue's lashing. My pussy was getting wetter, I loved how bad he wanted me. I moved to the front of the bed and stuck my ass in the air, spreading my legs a little so he could see my puffy, slippery slit. He grabbed my hips and slowly slid his hard cock inside me. I felt my pussy gripping him and holding on to it. His path started out slow, he was being gentle with me and it was getting me hot. I wanted more. I started moaning, and with that he started ramming me. His cock was sliding in and out of my dripping pussy fast and hard.

My body was flying forward and coming back onto him with each thrust. He started to slap my ass, loud and hard and I could feel the handprints beginning to form. He then reached forward and grabbed my hair. He pulled my head backwards and fucked me even harder. With that he leaned forward and pressed his thumb into my clit and started rubbing. That was the final straw. I started cumming all around his cock. He never slowed his pace, ramming his cock into my pussy and my juices flowed down onto him. My favorite position is cowgirl and I gladly hopped right on top of him. I started sliding my pussy onto his cock. My whole body was tingling. I started to bounce up and down on his cock. I could feel it going deeper and deeper inside of me. I was moaning and squeezing my boobs as his cock was going in and out of me. I sped up my pace, rubbing my clit as we bounced on the bed and rode on him faster and faster.

He flipped me onto the bed with that and pushed my legs back. My pussy was staring up at him, begging for more. He grabbed my hands and held them above my head. I couldn't move from my position, I was completely submissive to him at this point. This only turned me on more as he rammed his cock into me. I could feel it hit the deepest region of my insides. He continued to fuck me that deep and got faster and faster with each thrust. I

was on cloud nine, my pussy was gripping his cock like a vice. My hand now moves down beneath his balls, I spread my knees to push his thighs apart. My slick fingers push over his warm anus, coating it with my wetness, driven wild by thoughts of him doing this to me sometime, knowing how good this is, knowing his response will inflame me further, even on the heels of orgasm. My fingertip rests there, then

his slight wiggling urging me on. My eyes watch his expression change from second to second as I increase the pressure. His cock thrusts, lifting, the increase in size and girth noticeable as I push my finger further in and curve it gently, wiggling it within his opening, being tender. I know these smallest of motions translate hugely down there. My eyes watch him as his grunts of pleasure build fires in me, that quickly devour my self control. I let my finger push into him to the second knuckle. Curving that finger forward, stroking, thrusting, twisting slowly inside him.

Bending my head to place my mouth over his cock again, the first spurt of his cum floods my mouth and I swallow what I can, then back my lips from his cock to let his cream fly in ropes over my face, my mouth open to catch the spray. I drink in the rest. I let my finger work out of him in thrusts, each one a little shallower than the last, in sync with his convulsing muscles, listening still to the hoarse gasps and groans of his orgasm, knowing then that I can't possibly rest until I cum again. I started to cum again as his cock worked its wonders in and out of my mouth. Just as that orgasm ended, he pumped harder and another one began. I looked at him, my perfect man doing everything I wanted in a lover. I had finally gotten what I had been lustful after, and I was beyond satisfied. I wanted him and my fantasies, I got him.

A woman with long dark hair is posing outdoors. She is wearing a light blue bikini top with the word "PROENTERIC" printed on it and matching blue bikini bottoms. She is sitting on a concrete surface, leaning back on her hands, with her legs bent and feet resting on the ground. She is smiling and looking towards the camera. The background shows a grassy area with fallen leaves.

More than anything, I wanted to be a porn star. While that may not be what most younger women aspire to, after I got out of college, it was what I wanted to do. And I did it. And I still love it! It was hard to admit to myself that I got better at it because when you are younger, you think you're the bomb. Everyone tells you so and you believe them. Now, however, I can measure things much better and I know I'm a better fuck. Just watch me in my super hot video. It will make your hard dick a good bit harder!

BLAIR-NTS-09

*She wants me
to watch*

My name is Nicholas and my new wife, Ariana is sitting with me watching some TV. I suggest we turn the TV off and try something new. New? Yes, even though we've only been married nine months, our sex life is starting to stagnate. We try to think of ways to spice it up and tonight it was my turn to come up with something new.

I say we should sit back to back, and tell each other what we would do to one another. The first person to touch themselves, has to be the other's sex slave. Ariana says she likes the idea, so we sit on the floor, back to back. I'll start. I tell her that I'd walk up behind her, place my arms around her waist and start kissing, and nibbling on the back of her neck.

Then I would slowly caress her breast with my right hand, while holding her close with my left. As I press against her, she will be able to feel my hard-on against her butt cheeks. Then I'd lick

and kiss my way to the side of her neck, where I'd suck and nibble gently. Then I'd lift her bra up, so that I'd caress her breasts better. She sits there with her eyes closed, thinking about this, and staring to get very wet.

Then I slide my hand down the front of her pants, caressing her crotch from outside her pants, feeling her wetness. While pinching her nipple and caressing her crotch, she rocks her hips back and forth, feeling my hard cock pressing against her butt. I then turn her towards me, and we kiss, pressing my lips against hers, feeling her body getting excited, with each time our tongues touched each other. I then would remove Ariana's shirt and bra, to lick, suck and nibble on her hard nipples. Running my tongue all over her nipple while pinching the other. She moans and lets out a short sigh. I take her nipple between my teeth and gently bite, as I run my tongue all over the tip, making her go crazy.

Then I would kiss my way down to her belly button, licking and kissing her down to her pants. I'd then undo the button and slowly unzip them. Taking both hands, on either side of her hips, I slowly remove her pants. I ask her to step out of her pants, kissing my way back up the other leg, sucking the back of her knee and licking up the inside of her inner thigh. Ariana is getting wet, thinking about how good my tongue feels on her skin.

Just then, my cell phone rings and I answer it. I step into the other

room and can't see Ariana anymore. She lays back on the floor thinking about all I have said and done. She starts to pinch her own nipples, feeling them harden in her fingers. She then runs her hand inside her pants, and starts to caress her wet pussy. She is really getting in to it and doesn't hear me walk back into the room. I stand and watch for a few minutes as she brings herself to climax. Just as she is about to cum, I say, "You lose." She smiled, and says I guess I did. So she asks me what do I want? I think about it for a minute.

I decide that I want to watch her get herself off. She says okay. She starts to remove her clothes quickly, but I stop her and tell her first I want a strip show. So she puts her shirt back on and slowly removes her clothes, teasing me as she slowly removes each piece of clothing. She throws her bra into my face, then she undoes her pants, and teases me as she removes them. She stands there in her panties, then bends over and pulls them to the side so I can get a better view. I see how wet she is and start to caress my cock through my pants. She stands up and removes her panties, and throws them into my face and I smell her sweet soft scent.

Now she bends over and opens her butt cheeks so I can get a better view. While she's bent over, I hand her a dong I got when I went to the other room answering the phone. She grabs it and starts to rub it against her clit, then down to her wet vagina. To make sure it is wet, she rubs it hard against her clit, and turning it around, she places the fatter end inside her and rubs her clit with her oth-

er hand. She removes the toy and lays down on the floor, placing both legs on the coffee table, and opens them wide. I move close to her and remove my pants, sit down, and start to rub himself. Ariana has an idea, and gets up, and goes into the other room.

While she's gone, I remove all my clothes, and wait for her to return. When she does, she has a glass of ice cubes, and a box of matches. She lights a candle, and then lays back on the floor. She allows the wax to drip on her breast as she rubs her clit with an ice cube. She then rubs the ice cube all over her wet pussy, and then up to her belly button. She slowly moves the candle down her stomach as the wax melts and drips on her body. As the wax drips on her body, she lets out soft sighs and moans. She allows the wax to run down between her legs, on her inner thighs, and all over her mons.

She blows the candle out, and then takes another ice cube, and runs it all

over the wax, that has collected on her clit. Sliding the ice cube all over, she then slides it inside of her, pushing it all the way in. She starts to rub hard against her clit as the ice melts and runs from her vagina, making a wet puddle on the floor. I start to stroke myself more and harder, watching her as she moans and sighs. She starts to call out that she is cumming, and starts shaking as she sprays her lady-cum all over. Ariana has never gushed like that before, at least not while we've been together. Watching this, I pounded hard and fast on my cock and start to cum. I can't control my cock and lean over her and I cum all over her boobs.

Then I get down on the floor and lay next to her. We hold each other and kiss. Her body is still shaking, but whispers that now she needs to be fucked – hard. She sits up and leans into me taking my semi-hard cock into her hands, and working it back up. She takes it into her mouth, tasting the remaining cum on my cock head. I then reach over and start to caress her wet and wax-covered pussy.

Feeling the ice water running from her pussy, she lays back. I place two ice cubes inside her, and then start to lick her there. She starts shaking again and it does not take her long before she is cumming. As the ice melts and runs out, I lick it up, tasting all of her sweet juices mixed with the ice water. Then I move and slide my hard hot cock into her cold, wet, tight pussy. She lets out a loud moan and digs her nails into my back. I ram my cock in her hard and fast, each time feeling her get tighter, and tighter. She digs her nails harder into my back, and starts yelling out with pleasure.

After only two minutes of rest, she told me that she was now ready to try something new, if I was up to it. Why wouldn't I be? We both stood up, and she laid herself over the arm of the sofa. I stood behind her and opened her legs. Then I knelt down, and started to lick her wet pussy from behind. She starts to cum again, this time all over my face. I stand up and tease her with my cock, rubbing it all over her clit and smacking her butt with it. Then just sliding in the head, I held it just inside her.

She wanted more so she starts to ram herself hard against me. With me so deep inside her, she starts to cry out in loud sexual passion to fuck her harder, which I do until her screaming melts into a soft whimper of a final climax. Soon, as we're both covered in sweat, I start to cum. I pull out and spurt all over her butt. We fall to the floor tired, all hot and sweaty. After a few minutes, she says that we should take a shower, and finish up in there. I smile and tell her I'd race her to it.

I got a call a couple days before my shoot from the director. "Hey Sammy, you'll be working with Alex on Friday and I know you two have worked together before. He told me that you told him you'd do anal with him next time the two of you worked together. Well, this is that time. Will you do it?" "Yes, I'd love to." I answered without hesitating. "Great, he's looking forward to it." "Okay, bye." I was looking forward to it, too.

I like to be licked from the neck down to my private spot. If a girl can do that for me, then most likely she'll be getting breakfast in the morning. I really like foreplay because if a gal can turn me on before sex, then the sex will be more intimate and explosive. If she can't do that? Then she should get her butt out.
